## Goals:

As this is a new way for most children to learn, we don't expect them to be able to stay focused the entire time – in fact, we don't want to push it either - we want this to be fun for them. If they stay engaged for most of it, we will be thrilled and call it success!

Students will be encouraged to share their creations of both dance and craft and are encouraged to send video of what they did during the week. Nothing will be posted to social media.

**Students need a device with ZOOM on it and a safe space to move.**

**Tuition is \$75.00 due by August 6th**

**Labeled Craft Bags will be available for pick up from Pineapple Dance on August 7th. They will contain all the materials for each craft per day.**
