

2023-2024 SAFETY PROTOCOL FOR ALL CLASSES:

The studio rooms are cleaned and sanitized. We are using bleach wipes, UV lamps, and air flow to maintain healthy space for students/faculty. To participate in any camp, class or private lesson, you will **need to sign this form stating you agree** to the safety protocols listed below. *Please note that this protocol is subject to change.*

- If a student tests positive for Covid they should isolate for 5 days and if they are asymptomatic or their symptoms are resolving (without fever for 24 hours) then they can return to class but must wear a mask day 6 through 10.
- If a student is exposed to someone with Covid and have no symptoms the student can attend class but must wear a mask and get a Covid test at day 5 and 7 after exposure. If negative at day 7 they can stop wearing mask. If they develop symptoms they should not attend class and need to test at day 5 and 7 after exposure to confirm that their symptoms are not due to Covid, before returning to class.
- You will email us to cancel and not attend your lesson/class if within 24 hours you have any symptoms that include cough, sneezing, sore throat, runny nose, chills, difficulty breathing, diarrhea, feeling unwell, temperature of 100 degrees or more...even if you think it's just allergies or what you ate, please stay home! See Daily Health Questionnaire Policy for more details. Faculty all agree to do the same. Please email if unable to attend class --- thank you!
- You will use your home bathroom and wash your hands thoroughly, before leaving your house for the class/lesson.
- You will be responsible for bringing your own water bottle (fountain is not operational).
- Everyone who is fully vaccinated and received the most recent eligible booster can choose whether to mask.
- **Everyone who is not fully vaccinated or boosted must wear a mask. Cloth masks are not allowed**, you must wear either a surgical, KF94 or KN95 mask to class.
- You will put on dance shoes in the entryway and leave all personal items except water in the hall.
- Hand sanitizer and masks are available in the entryway (please bring your own, but there is some available if you need them).

Student name: _____ DOB: _____

Student Signature : _____ Date: _____
(Parent/Guardian if under 18)
